RE: 11th Annual Louie Pellegrini IV Memorial Safety Road-e-o Raffle Prize Donations

After an absence of two years, the 11th Annual Louie Pellegrini IV Memorial Safety Road-e-o (formerly the CRRC Truck & Mechanic Safety Road-e-o established in 1991) will be held on Saturday, October 1, 2022 at the Alameda County Fairgrounds in Pleasanton. We encourage all Resource Coalition members and invited guest companies to participate by sending individuals and teams of refuse & recycling drivers, mechanics and forklift operators to represent their company. This event is intended to promote safety and professionalism and creates a spirit of healthy competition and goodwill for all Resource Coalition companies, their employees, guests, families, and friends.

One of the highlights of the Road-e-o is a raffle for participants. We are hoping that you can help us by donating to the raffle. In 2019, participating companies included a total of 141 drivers, mechanics, and forklift operators from:

Amador Valley Industries
American Refuse, Inc.
Cal-Waste Recovery Systems
Consolidated Fabricators Corp.
Garden City Sanitation
Gilton Solid Waste Management
Livermore Sanitation
Milpitas Sanitation
Mt. Diablo Resource Recovery
Olcese Waste Services
Peninsula Sanitary Service, Inc.
Pleasanton Garbage Service, Inc.
Republic Services of Alameda County
South San Francisco Scavenger Co., Inc.
Specialty Solid Waste & Recycling, Inc.
Tule Trash Co.
Turlock Scavenger Company

With over 750 total attendees, this event gives you a great opportunity for recognition in our industry. Raffle sponsors are listed in the Event Program, as well as on a banner prominently displayed. **The deadline to receive your sponsorship commitment to be listed in the Event Program and on the Sponsor Banner is Friday, September 16.**

Thank you for your consideration in contributing to this great safety event. If you have any questions, please contact Trish Roath, Resource Coalition Executive Director, at (916) 806-3172 or trish@resourcecoalition.org.

NOTE: Louie Pellegrini IV from Peninsula Sanitary Service lost his battle with Synovial Sarcoma in June 2010. We are honored to host this event in his memory.
