RE: 13th Annual Louie Pellegrini IV Memorial Safety Road-e-o Raffle Prize Donations

The 13th Annual Louie Pellegrini IV Memorial Safety Road-e-o (*formerly the CRRC Truck & Mechanic Safety Road-e-o established in 1991*) will be held on Saturday, October 5, 2024 at the Alameda County Fairgrounds in Pleasanton. We encourage all Resource Coalition members and invited guest companies to participate by sending individuals and teams of refuse & recycling drivers, mechanics and forklift operators to represent their company. This event is intended to promote safety and professionalism and creates a spirit of healthy competition and goodwill for all Resource Coalition companies, their employees, guests, families, and friends.

One of the highlights of the Road-e-o is a raffle for participants. We are hoping that you can help us by donating to the raffle. In 2023, participating companies included a total of 144 drivers, mechanics, and forklift operators from:

Alameda County Industries
Amador Valley Industries
Cal-Waste Recovery Systems
Gilton Solid Waste Management
Marin Sanitary Service
Mission Trail Waste Systems
Mt. Diablo Resource Recovery
Olcese Waste Services
Peninsula Sanitary Service, Inc.
Pleasanton Garbage Service, Inc.
Recology
South San Francisco Scavenger Co., Inc.
Specialty Solid Waste & Recycling, Inc.
Tracy Delta Solid Waste Management
Turlock Scavenger Company

With almost 730 total attendees, this event gives you a great opportunity for recognition in our industry. Raffle sponsors are listed in the Event Program, as well as on a banner prominently displayed. **The deadline to receive your sponsorship commitment to be listed in the Event Program and on the Sponsor Banner is Friday, September 13.**

Thank you for your consideration in contributing to this great safety event. If you have any questions, please contact Kelley Versteegh, Resource Coalition Programs & Events Manager, at (916) 268-7452 or kelly@resourcecoalition.org.

NOTE: Louie Pellegrini IV from Peninsula Sanitary Service lost his battle with Synovial Sarcoma in June 2010. We are honored to host this event in his memory.
