FROM: David Blom, Chair, Gilton Solid Waste Management

RE: 14<sup>th</sup> Annual Louie Pellegrini IV Memorial Safety Road-e-o  
Raffle Prize Donations

The 14<sup>th</sup> Annual Louie Pellegrini IV Memorial Safety Road-e-o (*formerly the CRRC Truck & Mechanic Safety Road-e-o established in 1991*) will be held on Saturday, October 4, 2025 at the Alameda County Fairgrounds in Pleasanton. We encourage all Resource Coalition members and invited guest companies to participate by sending individuals and teams of refuse & recycling drivers, mechanics and forklift operators to represent their company. This event is intended to promote safety and professionalism and creates a spirit of healthy competition and goodwill for all Resource Coalition companies, their employees, guests, families, and friends.

One of the highlights of the Road-e-o is a raffle for participants. We are hoping that you can help us by donating to the raffle. In 2024, participating companies included a total of 99 drivers, mechanics, and forklift operators from:

Cal-Waste Recovery Systems  
Gilton Solid Waste Management  
Marin Sanitary Service  
Mission Trail Waste Systems  
Mt. Diablo Resource Recovery  
Peninsula Sanitary Service, Inc.  
Pleasanton Garbage Service, Inc.  
Recology  
South San Francisco Scavenger Co., Inc.  
Specialty Solid Waste & Recycling, Inc.

With over 500 total attendees, this event gives you a great opportunity for recognition in our industry. Raffle sponsors are listed in the Event Program, as well as on a banner prominently displayed. **The deadline to receive your sponsorship commitment to be listed in the Event Program and on the Sponsor Banner is Friday, September 12.**

Thank you for your consideration in contributing to this great safety event. If you have any questions, please contact Corrie Cook, Resource Coalition Events and Member Services Coordinator, at (916) 367-3299 or [corrie@resourcecoalition.org](mailto:corrie@resourcecoalition.org).

*NOTE: Louie Pellegrini IV from Peninsula Sanitary Service lost his battle with Synovial Sarcoma in June 2010. We are honored to host this event in his memory.*
