RE: 15th Annual Louie Pellegrini IV Memorial Safety Road-e-o Raffle
Prize Donations

The 15th Annual Louie Pellegrini IV Memorial Safety Road-e-o (*formerly the CRRC Truck & Mechanic Safety Road-e-o established in 1991*) will be held on Saturday, October 3, 2026 at the Alameda County Fairgrounds in Pleasanton.

We encourage all Resource Coalition members and invited guest companies to participate by sending individuals and teams of refuse & recycling drivers, mechanics and forklift operators to represent their company. This event is intended to promote safety and professionalism and creates a spirit of healthy competition and goodwill for all Resource Coalition companies, their employees, guests, families, and friends.

One of the highlights of the Road-e-o is our participant raffle, and we would greatly appreciate your support with a door prize donation. We are collecting **door prize items only** and kindly ask that **promotional materials or marketing handouts not be included**. Door prizes featuring your company logo are always a hit, and **gift cards are also a favorite with our participants and make wonderful raffle prizes!** In 2025, participating companies included a total of 127 drivers, mechanics, and forklift operators from:

Alameda County Industries
California Waste Recovery Systems
Gilton Solid Waste Management
Marin Sanitary Service
Mission Trail Waste Systems
Mt. Diablo Resource Recovery
Olcese Waste Services
Peninsula Sanitary Service, Inc.
Pleasanton Garbage Service, Inc.
Recology
South San Francisco Scavenger Co., Inc.
Specialty Solid Waste & Recycling
Turlock Scavenger Company
Waste Connections

With over 600 attendees total, this event gives you a great opportunity for recognition in our industry. Raffle sponsors are listed in the Event Program, as well as on a banner prominently displayed. **The deadline to receive your sponsorship commitment to be listed in the Event Program and on the Sponsor Banner is Friday, September 25.**

Thank you for your consideration in contributing to this great safety event. If you have any questions, please contact Corrie Cook, Resource Coalition Operations and Events Manager at (916) 367-3299 or corrie@resourcecoalition.org.

NOTE: Louie Pellegrini IV from Peninsula Sanitary Service lost his battle with Synovial Sarcoma in June 2010. We are honored to host this event in his memory.
